Beige introduces a rich tapestry of hues, including the understated charm of Light Beige, the embrace of Mid Beige, the expanse of Sand and the elegance of Greyish Beige.

It offers a myriad of designs and constructions, providing options to cater to various tastes and preferences.

From the refined matte sheers to the gentle slight sheers, it spans a spectrum of textures.

The construction ranges from dense weaves that add a presence to your space to more open constructions that invite a play of ambient light.

This selection presents an impressive range of patterns, from timeless plain weaves to those featuring subtle patterns and stripes. This diversity makes it a seamless choice for most spaces.

It's width extends up to 300cm - making it ideal for various use cases.
