Cream unveils a spectrum of possibilities, ranging from the delicate Cream and Light Beige to the allure of Creamish White.

This versatile palette caters to diverse tastes and preferences, offering a nuanced selection for those seeking timeless aesthetics.

From the understated elegance of matte sheers to the translucence of slight sheers, this collection embraces a range of styles. The variance in constructions extends from dense weaves to open constructions that invite a play of natural light.

From classic plain weaves to those adorned by patterns and stripes, the pieces can work well within a range of situations.

Adding to its functionality, it features an impressive width of 300cm.
