White brings together the epitome of sophistication with our sheer fabric collection, a canvas of diversity boasting an assortment of designs, constructions and opacities.

From matte to slight sheen, dense to more open weaves and plain to subtly ornamental patterns, the fabrics in the collection extend beyond the ordinary and offers limitless possibilities for creating refined interiors.

Its width extends up to 300cm. Available in elegant shades of white, egg white, off-white and optical white, our collection transforms the spaces they adorn with a blend of versatility and poise.

Whether you seek a subtle backdrop or a captivating play of light, our collection provides a seamless integration of form and function.
