Personalise your bathroom in your style

The bathroom is going beyond pure function to beautiful customisations that meet both your needs and desires.

It is the space to be the real you, your most private space, and deserves to be designed to suit your unique personality and exclusive preferences. From time on the phone to your philosopher's throne, a fun kids water park, to your parents safety in the dark, the bathroom must deliver the experience of absolute comfort.

Presenting Bespoke by Bathsense, a comprehensive, design-to-execution service that meets all your bathroom design needs with expert execution, within a committed time and budget.

From essentials like making it leakproof to personalised aesthetics like themes, textures, colours and fittings. We conceptualise, design, visualise and plan to thoughtfully deliver your customised dream bathroom.

Bespoke by Bathsense is the one-stop bathroom design solution to bring your personal style to life in the most hassle-free way.

Design in the details

Bespoke by Bathsense goes beyond styling. It is a design philosophy based on a clear understanding of individual customers, thoughtful detailing and precise execution to make the entire user experience hassle-free, efficient and enjoyable.

We use ergonomics to bring purpose to aesthetics and form to fulfil function. From adjusting countertops, showers and mirrors to suit your height to distancing toilet paper holders and health faucets appropriately from the WC, special care has been taken to customise for varied customer needs.

Whether it is access, navigation aids, safety features like anti-skid tiles and mats, or grab bars that cater to the elderly or differently-abled, we take every measure to make your bathroom secure. This includes performing extensive checks to maintain the highest quality through

every stage of execution, like the pressure test for leak proof bathrooms and pond test for ensure waterproofing.

Along with the best-in-class products to ensure a comfortable, beautiful bathroom, we also put our best foot forward for the environment by offering choices like faucets and cisterns that help conserve water.

We do every little thing to make your bathroom as unique as you. Whether it is translating your home theme, curating the setup for signature elements like makeup and gadgets or providing the ideal space for objects of fancy like vertical gardens and shimmering lamps.

Bespoke by Bathsense puts both mind and heart into personalising your bathroom space.

A theme for every style

Bathense is all about you, and works around transforming your wish list into a beautiful reality. The collection offers a range of designs under four distinct themes, catering to diverse personalities and lifestyles.

Urban Vogue

Keep up with the times, stay on trend with style.

A cosmopolitan blend of contemporary, modern, and industrial influences, the on-trend Urban Vogue is a sophisticated style ideal for city lifestyles.

Characterised by sleek lines, geometric designs, clean finishes, and a neutral colour palette, this savvy theme balances soft drama with spirited movement. Using colours, patterns and scale to cleverly create continuity, coordinate elements, and make an elegant statement.

NOTE: PRESENTED DESIGNS ARE FOR INSPIRATION AND VISUALISATION PURPOSE, FINAL DESIGN WILL BE PREPARED AS PER YOUR REQUIREMENT.

01/ *Neo Mode*

This design from the Urban Vogue theme combines light and dark tiles with a hint of green as a modern accent. Diagonally symmetric flooring in light and dark tiles is the primary highlight of this bathroom, complemented by a diagonal profile light for the ceiling.

A back-painted vanity door with gold legs replace the basic look, and pair perfectly with the decorative mirror, hanging lights, Canvas gold CP fittings and beige sanitary ware.

02/ *Peachy Bold*

The second Urban Vogue design makes a chic statement in peaches and cream. Vertical bands of statuario tiles on all walls create continuity with an Asian Paints highlighter tile.

The conventional vanity is replaced with a back-painted door and gold legs suited to the Canvas series. A decorative mirror and hanging lights flatter the gold CP fittings and beige canvas sanitary ware.

03/ *Pastel Play*

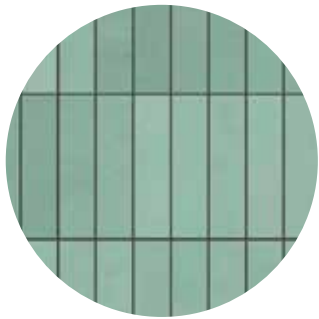

Visualised as a children's bathroom, this lively design uses fresh pastels in mint green subway tiles that enhance the area's curves.

The floor is a colourful terrazzo, the wall sports a cluster of lights to resemble stars in the sky, while multiple-sized mirrors work as playful bubbles. The brick red furniture complements the colour palette, and black CP fittings and sanitary ware work as highlights.

04/ *Millennial Pinks*

This modern look brings alive the Urban Vogue theme with pink and grey chevron pattern tiles across the wet and dry areas.

A backlit LED cut-mirror accentuates the vanity wall, while strip lights highlight the chevron pattern in the wet area. Light grey walls and floor add cool ease, contrasted with the darker, black elements. Rose gold faucets finish this bathroom elegantly.

05/ *Metallic Morocco*

An urban yet luxurious master bathroom that wows with silver metallic and black subway tiles. The black and white Moroccan flooring contrasts the ultra-modern look with solid heritage.

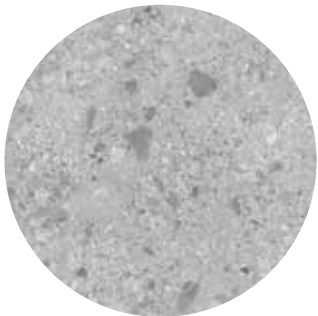

The semicircle backlit mirror distinguishes this design even more, followed by a ceiling cove light in the bathtub area. Gold CP fittings take the final look a notch higher.

06/ *Pink Blush*

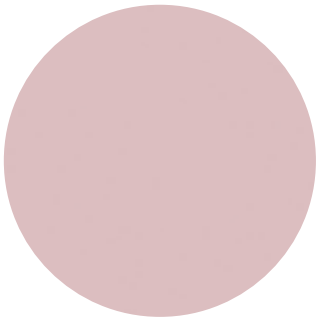

Subtle chic means this design is always in vogue. This cool, urban bathroom gets its bright look with classic statuario and pastel pink tiles, from the recently released Asian Paints colours of the year.

A light wooden texture for the floor and storage give it an earthy quotient, while stripped tiles texture the monochromatic look. All finished with black CP fittings and white sanitary ware.

Vintage vibe

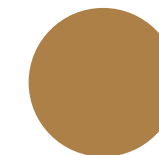

Relive an era of timeless beauty.

Influenced by an era where textures and tones were matched to create warmth and a sense of comfort, Vintage Vibe is a graceful yet memorable design style.

Soft colours and light tones come together with delicate detailing to recreate the legacy of timeless beauty, reflecting a period of eternal enchantment.

NOTE: PRESENTED DESIGNS ARE FOR INSPIRATION AND VISUALISATION PURPOSE, FINAL DESIGN WILL BE PREPARED AS PER YOUR REQUIREMENT.

01/ *Retro Glam*

The classic white and gold colour scheme turns back the clock with vintage glamour. Textured tiles focus on the golden era with a rosette and retro ceiling light. While an arch-shaped fixed glass in gold finish partitions the wet and dry areas. Moulded marble, quartz and granite adorn the countertop, backsplash and vanity, highlighted with an antique mirror. Gold CP fittings add polished glamour to this bathroom.

Subtle perfection

Sensuality meets sensibility

Inspired by less is more, the Subtle Perfection style brings in hints of modern minimalism, where form follows function. This design theme creates sensuality through seamlessness while following design sensibilities of clean lines, subtle visual movement and clear spaces.

Whites, beiges and shades of black form the primary colour palette, using accents to provide a focal point and impactful breaks.

NOTE: PRESENTED DESIGNS ARE FOR INSPIRATION AND VISUALISATION PURPOSE, FINAL DESIGN WILL BE PREPARED AS PER YOUR REQUIREMENT.

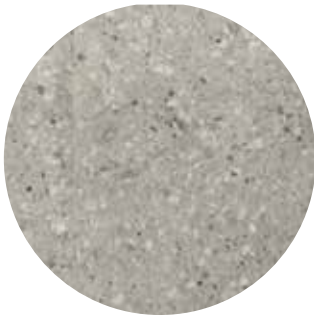

01/ *Sand Dunes*

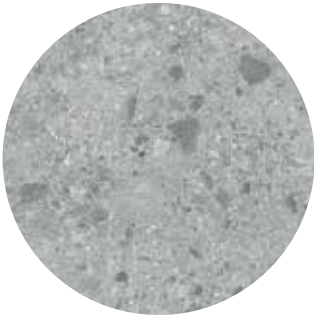

This classic neutral design is harmonious, fluent and warmly inviting.

Greyish beige tiles with all over minima terrazzo give this bathroom a calming softness. The fluid look is broken with an arch, which also works as a design element. The door and vanity are in a subtle laminate, while black canvas CP fittings and sanitaryware compliment the theme.

Sanctuary

Be inspired, be one with nature.

We all have an innate connection with the elements, and are inherently happier around nature. This concept of biophilia is what inspires the Sanctuary theme, bringing Nature inside to create an ambience of serenity.

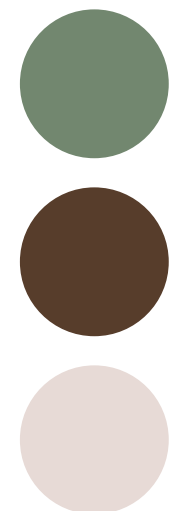

NOTE: PRESENTED DESIGNS ARE FOR INSPIRATION AND VISUALISATION PURPOSE, FINAL DESIGN WILL BE PREPARED AS PER YOUR REQUIREMENT.

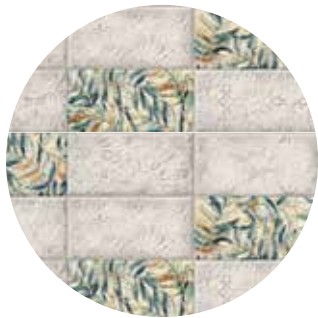

01/ *Green Turf*

To bring alive the spirit of the Sanctuary theme, this design uses green tiles and wood-like elements like ACP sheets instead of veneer for sustainability.

Additionally using cost-effective tiles that work well with city-sized bathrooms, and laminates in the same palette for doors and the vanity. Black canvas CP fittings add a bold accent to the theme.

Palm Breeze

In this Sanctuary theme, wood tones and leafy palm print tiles create a calm forest ambience. Colours like browns, greens and greys represent natural elements like timber, foliage and stone.

The look uses practical tiles for a city-sized bathrooms, with veneer and PU paint sheets for the vanity and door. The complementing ceiling uses a wood-like PVC plank, both reasonable and durable compared to conventional wood. Gold canvas CP fittings elevate the theme.

04/ *Forest Grove*

his intimate Sanctuary design uses close-to-nature colours and textures. Like natural slate stone tiles in the dry area as a highlighter, and leafy tiles to give the wet area a forest look.

The vanity is accented with wood-like elements while a seamless flooring is calmly inviting.
