Introducing

STAINLESS STEEL CABINETS

from Sleek, by Asian Paints

The strongest foundation we've ever built for modular kitchens.

Indian kitchens work hard every day — heat, moisture, spills, heavy activity, and the test of time. So we created a kitchen that everyday life truly demands.

Sleek now brings you SS304 Stainless Steel Carcass Cabinets — a next-generation foundation engineered for superior hygiene, unmatched durability, and long-lasting peace of mind, while delivering the design elegance you expect from Sleek.

Why stainless steel for your kitchen?

A Stronger Core That Lasts Longer

Fire Resistant

Sustainable & Recyclable

Waterproof

Ready to Assemble

Termite Proof

Rust & Corrosion Resistant

Hygienic & Non-Porous

SLEEK STAINLESS is for you, if

- Humidity or coastal weather affects your home
- You want a long-lasting, low-maintenance kitchen
- You're looking to upgrade from plywood cabinets

Why Sleek Stainless is the best choice for you?
