VOLUME V - GREENS & TEALS

CASUALS BY PURE is shaped by the idea of easy living- bringing comfort, simplicity, and effortless style to the modern home. Across six colour-focused volumes and nine versatile colour families, the collection blends draperies, sheers, velvets, prints, wovens, and plains into a calm, cohesive design story marked by gentle textures and harmonious palettes. Inspired by nature's calming presence, Volume V presents a refreshing spectrum of greens and teals, from soft sage to richer, deeper tones. These colours breathe life into the home, bringing serenity and depth. With tactile wovens, relaxed plains, and airy drapes, this volume reconnects interiors with nature's ease and renewal.
