KELSO

ELEVATED EVERYDAY SHEERS

Kelso Sheers celebrates the gentle play between light and textile, a collection that captures the poetry of translucency and tactile detail. Rooted in fine craftsmanship, these sheers have been woven using a selection of natural yarns, offering an ethereal two-tone effect that elevates even the simplest room into a space of soft beauty.

From delicate buti motifs and refined stripes to minimal checks and innovative cut buta techniques, each design is created with a subtle drama, making the fabrics not just functional but truly expressive. In shades of white, cream, natural, and duck egg, the palette stays airy and elegant. Ideal for soft, flowing drapes that invite the morning sun or layered window treatments that build atmosphere, Kelso is a collection made to be admired, and lived in.
