# LARIO

## CONTEMPORARY MAJESTIC WOVEN DRAPES

"LARIO is a celebration of opulence, where lush textures meet refined artistry. This decadent collection brings together a curated blend of satin weaves, metallic embroidered jacquards, plush chenilles, and shimmering sheer, each piece crafted to elevate interiors with quiet drama and elegance.

Drawing inspiration from nature's most symbolic elements, Lario features intricate bird embroideries, timeless pomegranate motifs, and graceful botanical leaf patterns. The interplay of sheen and texture lends the collection a luxurious sensibility, ideal for spaces that embrace richness with restraint.

Lario transforms rooms into refined sanctuaries, where every fabric catches the light and tells a story of elegance, depth, and detail."
