WISLEY

EMBROIDERIES & WEAVES

Nestled in the rural English countryside, Wisley Gardens is a haven of horticultural inspiration blooming with colour. This flourishing landscape has served as a rich source of inspiration for the designs within this collection. The feature embroidery of the collection, Kew, is a stylised, multi-coloured tulip motif that complements the entire range.

Intricate embroidery and weaving techniques bring depth to the designs, enhanced by a rich palette ranging from luxurious jewel tones to subtle neutrals. The collection explores variations in scale, allowing layered arrangements that create a harmonious interior space. Wisley fabrics are versatile, suitable for both drapery and upholstery applications.
